

March 21, 2024

Dear Valued Customer:

RE: United States Bioengineered Disclosure Standard rule established by the USDA on December 20, 2018, for mandatory disclosing foods that are or may be bioengineered.

Big C Hash Brown Patties 20 count Net Wt. 42.3oz with UPC 60695 33424, does contain a bioengineered food ingredient.

The following statement is disclosed on the label:
Contains a bioengineered food ingredient

Sincerely,

Kathleen MacIsaac
Senior Regulatory Compliance Specialist
